

**WELLNESS RETINAL IMAGING**  
**CONSENT FORM:**

As part of your eye exam, Drs. Fagedes and Garrity recommend a special diagnostic procedure called Wellness Retinal Imaging. This procedure consists of capturing an image of the back part (Retina) of your eye. This is not an x-ray or ultrasound procedure; and nothing will touch your eye. We are simply taking a digital photo.

THIS PERMANENT RECORD IS VERY VALUABLE IN ASSESSING THE CURRENT HEALTH OF YOUR EYES AND FOR SAFEGUARDING THE HEALTH OF SPECIFIC STRUCTURES OF YOUR EYES, SUCH AS THE RETINA, OPTIC NERVE, MACULA, AND BLOOD VESSELS. IT WILL ALSO SERVE AS AN INITIAL POINT FORM WHICH TO COMPARE, AS WE FOLLOW YOUR HEALTH IN SUBSEQUENT YEARS.

The fee for this part of the eye exam is \$35.00. Depending on your diagnosis this test will not be covered under your medical insurance or Medicare. Also, retinal images are not covered under most vision plans.
